Washington Law & Politics magazine has named Yakima attorneys Terry Abeyta and Rod Nelson as Super Lawyers for 2009. Abeyta and Nelson, partners at Abeyta Nelson Injury Law, are part of the 5 percent of state attorneys to be named to the list, which is based on votes from their peers and a review by a selection panel. This is the ninth consecutive year Abeyta has been named a Super Lawyer. This is the eighth consecutive year for Nelson.
